Diabetes Workshops

Diabetes Cooking Workshops

Diabetes Cooking Workshops are hands-on cooking classes which are offered to those living with prediabetes, type 1 or type 2 diabetes. Each workshop will be conducted by a Registered Dietitian, who is also a Certified Diabetes Educator. Fee \$5.00 per class (please call if cost is a concern)

Heart Health Month

In honour of Heart Month, we'll be creating recipes that help to boost your heart health. Healthy fats, whole grain, vegetables and fruits, reduced sodium - we'll explore all these and more in February's cooking session.

Just the Basics: Diabetes - Virtual/In-Person

Have you been recently diagnosed with diabetes? This workshop, now being offered virtually and in-person, includes a discussion of the basic facts about managing diabetes, healthy eating, and physical activity.

Living Well with Diabetes - Community Support Group

Join peers, a Registered Nurse and a Registered Dietitian for chats and education on building knowledge, self-management skills, and support from each other on various topics related to your diabetes care. Topics include healthy eating, exercise, stress management, medication and more.

Pre-Diabetes Workshop

Have you been recently diagnosed with prediabetes. This workshop includes a discussion of the basic facts about managing prediabetes, healthy eating, and physical activity. We also encourage you to set a goal to improve your health during the class.

Community Workshops

Book Club

Throughout the year we will meet to discuss the book of choice and enjoy a cup of tea in a fun and positive space.

Caregiver Support Group - Virtual

Are you a Primary Caregiver caring for an older adult and looking to connect with other caregivers? Please join us in a peer focused group to share your concerns, experiences, knowledge and to support each other.

Osteoporosis Support Group

You will gain practical information in the monthly meetings, meet others living with Osteoporosis and share common experiences. We cover a variety of topics such as nutrition, safe exercises when living with Osteoporosis and more. **For more information Contact Cathy Pearcy at 705-740-2776 or email cpearcy@osteoporosis.ca**

Social Gatherings

Throughout the year the CHC hosts themed social gatherings where we enjoy a chat, a cuppa and some games. Such themes include a fall tea, holiday treats, winter tea and a summer party.

Community Lunch

Come out and connect with others in your community while enjoying a healthy lunch prepared by our staff and volunteers. The lunches follow a pay-what-you-can model. The suggested contribution is \$0.50/\$2.50/\$5.

Powerful Tools for Caregivers (PTC)

The Powerful Tools for Caregivers (PTC) is a free six week workshop for caregivers of adults with chronic conditions. Caring for a family member or friend with a chronic condition can be physically, emotionally and financially draining. This highly-effective, evidence-based, self-care educational program for family caregivers builds the skills caregivers need to take better care of themselves as they provide care for others. Pre-registration is required. To register call 1-866-971-5545 or visit www.ceselfmanagement.ca

Exercise Workshops

Our Heart Wise Exercise Programs

All these programs meet the following criteria:

1. Encourage regular, daily aerobic exercise
2. Incorporate warm-up, cool-down and self-monitoring with all exercise sessions
3. Encourage exercise at a safe level and offer options to modify intensity
4. Suitable for those living with chronic condition and cardiovascular disease
5. Have a documented emergency plan.

Active, Fit & Fun - Hybrid

Designed for community members ages 55+ who are wishing to improve their cardio, strength, balance and flexibility regardless of their current ability level. The program will be led by trained volunteers, who ensure the program is run in a safe manner. Classes can be done seated or standing. Don't want to exercise alone? Join the instructor virtually from our Centre in room 205.

Chair Yoga - Hybrid

Using the aid of a chair our yoga instructor will guide you through a series of movements. Poses are done seated or a chair is used for support during standing poses and bends.

Movement and Motion - Hybrid

Designed for community members age 55+, who are wishing to improve their balance and range of motion regardless of their current ability level. The program will be led by trained volunteers who ensure the program is run in a safe manner. Classes can be done seated or standing.

Relax and Renew - Restorative Yoga

Restorative yoga focuses on relaxation of the mind and body. Bolsters, straps and other props will be used to support the body in various postures which allows one to move towards a state of balance.

Strengthen, Stretch and Tone - Hybrid

A class involving standing and mat based exercises to increase flexibility & mobility, improve the strength & tone of muscles, help align posture for better balance & breathing. Our practice will make use of a variety of tools from yoga mats & blocks to light hand weights, resistance band & exercise balls as required. Equipment is provided.

Nordic Pole Walking

Come out and join our trained Nordic Pole Walking instructors as they take you on a 30-45 minute walk around the neighbourhood. (seasonal)

Yin Yang Yoga - Hybrid

A Yin Yang Yoga class blends two styles of yoga in one practice. It brings together the benefits of longer stretch poses with traditional hatha sequences to work on strength, flexibility and stamina. By balancing your Yin and Yang your energy flow will increase, giving you a peaceful balanced mind and body.

Yoga - Virtual

Yoga has many benefits such as increasing flexibility, improving breathing, helping with balance and helping one to live a healthy and stress free lifestyle. Yoga is a floor based program.

Programs/Services

Dental Services

The Community Health Centre is pleased to offer a basic dental program to those who cannot access care due to financial hardship, and also to those who have private insurance. If you are receiving assistance through Ontario Works, Ontario Disability Insurance or have an annual income below the Canadian Low Income cut off, give us a call. There is a cost to this program which will be determined at your first visit. Ext. 208

Dietitian Services

Our Community Registered Dietitian is available to members of the community & provides one-on-one counselling, presentations/workshops & cooking demonstrations. Dietitians provide clients with strategies to help manage & prevent a wide range of nutritional related concerns. Clients of the CHC may be referred by their primary health care provider. For community members who are not clients of the CHC, please ask your family doctor for a referral or you can call the Centre for more info.

Diabetes Education

To support the growing group of people living with diabetes, the Community Health Centre has nurses, dietitians & social worker teams who are available to meet with individuals & groups. Our diabetes centre provides support and education to individuals who are over the age of 18 and have pre-diabetes, Type 1 or Type 2 diabetes, and Gestational diabetes. We are also a certified pump centre providing insulin pump therapy. The diabetes team welcomes the opportunity to share information at groups or local events.

OTN - Ontario Telemedicine Network

A telemedicine appointment is just like a regular appointment, only the specialist you will be seeing and speaking with is on a monitor. Free to residents of Ontario, OTN connects you with the right health care professional, in the right place, at the right time. Visit otnhub.ca for more information or call Tammy Kantor, RPN. Telemedicine Coordinator Ext. 214.

Geriatric Assessment & Intervention Network

The GAIN team is for older adults living at home experiencing one or more of the following: changes in memory or thinking; difficulty doing daily activities (such as cooking, bathing, or dressing); falls or risk of falls; difficulty moving around; incontinence; multiple medications. We help older adults address risk and safety concerns and access supports they need to live independently at home. Talk to your primary care provider to discuss if the GAIN team could help you or a family member, or call Ext. 254 for more information about how to complete a GAIN referral.

Memory Clinic

The Community Health Centres of Northumberland Memory Clinic is a specialty clinic dedicated to helping patients with memory concerns. On the day of the appointment, a team of skilled health care professionals will complete a thorough medical history and conduct cognitive testing including those related to driving safety. Our team will prepare a management plan for the patient/family and work with your doctor or nurse practitioner to help you link with supports and resources, if needed. Ask your doctor or nurse practitioner to send the necessary referral today. For more information call Ext. 264

Community Care Northumberland

Providing nutrition, transportation, wellness, in-home and hospice services to residents of Northumberland County. Programs and services help seniors, adults with disabilities, those recovering from illness or injury and hospice clients and their loved ones and caregivers remain independent and supported in their own homes and communities. The Port Hope satellite office at 99 Toronto Rd is available by appointment only on Tuesdays from 8:30-4:00. For more information or to book an appointment, please contact Angela at 905-885-9860 or porthope@commcare.ca.

Harm Reduction Supplies

The Centre provides access to harm reduction supplies (needle kits, inhalation kits, crystal meth kits, naloxone kits) through partnerships with HKPR District Health Unit and PARN, to support safer practices and reduce the risks of infections, overdoses, and other harms. Our site can only accept used equipment in safe disposal bins. Let the front desk know that you would like to access supplies and they will assist you directly or connect with a staff member to help get what you need.
